

LIVER UPDATE 2012

LIVER METASTASES FROM COLORECTAL CANCER

CURRENT THERAPIES AND NEW APPROACHES

**SUNDAY
7 October, 2012**

**VENUE
J. B. Auditorium
AMA, Opp. IIM, Ahmedabad**

Final Announcement & Scientific Program

Organized by:

sterling
Hospitals
Because life matters

Invitation

Dear colleagues and friends,

On behalf of the organizing committee, it is my great pleasure to invite you to attend our 4th CME on Liver Surgery which is to be held in Ahmedabad on October 7, 2012. This event is organized by Gujarat Liver and Digestive surgery Clinic (GLDC), Gujarat Liver Cancer Clinic (GLCC) in association with Sterling Hospitals.

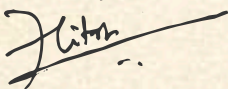

Metastatic colorectal cancer is a common clinical problem. The treatment of metastatic colorectal cancer has substantially evolved during the past decade and has achieved significant therapeutic success. However, the numerous therapeutic options create the challenge of developing optimized treatment strategies and the management in a multidisciplinary environment would become central to achieving optimal outcomes.

Liver Update 2012 is an educational meeting to provide a forum for the dissemination and discussion of evidence-based research and treatment developments for colorectal liver metastases. The program includes eminent speakers from a range of disciplines, highlighting new developments in the areas of liver surgery, chemotherapy and liver-directed therapies. The interactive sessions will bring together a range of perspectives and experience from the multidisciplinary team and provide an opportunity for all delegates to participate. The special sessions would provide insight into a strategy for improving resectability with curative intent & discussion on the emerging role of new agents for the treatment of metastatic colorectal cancer.

On behalf of the organizing committee I extend our warmest invitation to attend Liver Update 2012. We hope that you will enjoy the meeting and your participation and contribution will stimulate a creative exchange of ideas.

We look forward to welcome you to Liver Update 2012 in Ahmedabad.

Sincerely,

Dr. Hitesh Chavda

Organizing Secretary
Liver Update 2012

Organizing Team

Dr. Amit Shah Dr. Vismith Joshipura Dr. Jayant Jhala Dr. Ashish Parikh

8:15 am - 8:45 am - Breakfast and Registration

Session 1: Epidemiology & pathophysiology

- Global epidemiology and the extent of the problem
- Pathophysiology of hepatic metastases & follow-up plan after colorectal surgery

Session 2: Role of radiological imaging & pathological examination

- Diagnostic and response imaging evaluation - CT Scan and MRI
- Role of PET - CT in the management of colorectal metastatic disease
- High standard pathological examination-why so important ?
- Current role of molecular markers

Session 3: Systemic cytotoxic and locoregional interventional therapies

- Current role of neoadjuvant chemotherapy
- Role of adjuvant systemic chemotherapy - what is the end point?
- Recent update on molecular targeted therapies
- How to evaluate the treatment response?
- Interventional radiology- role of intra-arterial and ablative therapies

Session 4: Operative treatment of colorectal liver metastases

- Operating on the post-chemotherapy liver
- Definition of resectability and selection for hepatic resection
- Approaches to synchronous presentation of colorectal cancer and liver metastases
- Special techniques to optimize resectability
- Approaches to bilateral colorectal liver metastases

Session 5: Special issues

- Management of the disappearing liver metastases
- Current role of laparoscopic liver resection
- Extreme liver surgery- pushing the boundaries
- Sepsis after liver resection
- Impact of the multidisciplinary team approach

Video session:

- Wedge resection for colorectal liver metastases
- Laparoscopic liver resection
- Right hepatectomy for colorectal metastases
- Liver resection for bilobar metastases

4:30 pm - End of the meeting

Target Audience

General Surgeons, Surgical Gastroenterologists, Hepatobiliary Surgeons, Oncologists, Oncosurgeons, Pathologists, Radiologists / Interventional Radiologists, Trainees, Fellows, Physicians & Co-ordinators

Invited Speakers

Dr. B. K. Smruti

Consultant Medical Oncologist
Lilavati Hospital
Mumbai

Dr. Adarsh Chaudhary

Surgical Gastroenterologist & HPB surgeon
Medanta - The Medicity
Gurgaon, Haryana

Dr. A. S. Soin

Chief Liver Transplant & Hepatobiliary Surgeon
Medanta Institute of Liver Surgery & Transplantation
Medanta - The Medicity, Gurgaon, Haryana

Dr. Vimal Someshwar

Consultant Interventional Radiologist
Kokilaben Dhirubhai Ambani Hospital
Mumbai

Dr. Prachi Patil

Consultant Gastroenterologist
Tata Memorial Hospital
Mumbai

Dr. Puneet Dhar

Surgical Gastroenterologist & HPB surgeon
Amrita Institute of Medical Sciences
Kochi, Kerala

LIVER UPDATE 2012

LIVER METASTASES FROM COLORECTAL CANCER

CURRENT THERAPIES AND NEW APPROACHES

Date: Sunday, 7 October, 2012 • Venue: J. B. Auditorium, AMA, Opp. IIM, Ahmedabad

REGISTRATION FORM

• Please Check Appropriate Box • Please use CAPITALS

Title: ☐ Prof. ☐ Dr. ☐ Mr. ☐ Ms.

Name: _____

Name as you would like to be printed on Badge :

Institution: _____

Department: _____

Delegate Status: Consultant / PG Student

Mailing Address: ☐ Office ☐ Residence

City: _____ State: _____ Post Code: _____

Telephone No. (Off.): _____ (Resi.): _____

Mobile: _____ E-mail: _____

Rules for Registration :

[1] Registration is free and compulsory (Before 25th September, 2012)

[2] Delegates are requested to fill up the registration form or it's photocopy and send it to Conference Secretariat.

[3] Spot Registration fee : ₹ 500
